

Golf Coaching @ Kingsfield

GET YOUR GAME IN SHAPE BY UTILISING OUR TOP CLASS FACILITIES AND PROFESSIONALS.

At Kingsfield, we have one of the most comprehensive practice facilities in Scotland and this is demonstrated by regular users such as European Tour professionals Stephen Gallacher and Paul Broadhurst, the Scottish Ladies Golfing Association squads and the Lothian's men's amateur squad. In addition to 2 teaching/club fitting bays, we provide indoor and outdoor practice bays, a grass tee, a 3 zone short game practice area where you can work on your putting, chipping, pitching and bunker play. A new distance control zone will be in use for next season. We also provide on course lessons where you can try out what you have learned during your bay lessons in a game situation. During our coaching and fitting operations, we utilise some fantastic technology to help you understand all aspects of your game e.g. swing, posture, grip, ball flight and ball striking and we provide a video copy of your lesson via e-mail to reinforce the messages from your session.

WE WILL BE RUNNING JUNIOR COACHING CAMPS IN THE OCTOBER SCHOOL HOLIDAYS.
