

THE TAYLORMADE PERFORMANCE CENTRE

Kingsfield Golf Centre, West Lothian

The TaylorMade Performance Centre at Kingsfield is a facility created to offer the members and customers of official TaylorMade stockists the complete TaylorMade custom fitting experience. Kingsfield has a full range of golf facilities & is used regularly by TaylorMade Staff Player Paul Broadhurst as a practice facility.

HOW DOES IT WORK?

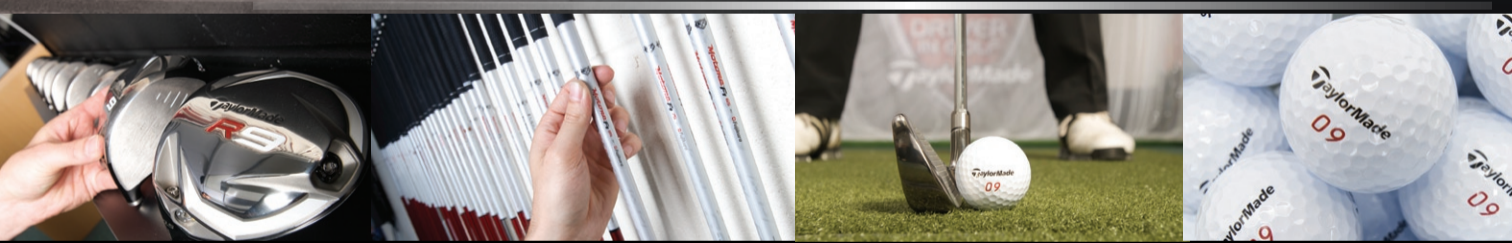

Fittings sessions are by appointment only and each fitting appointment will take 60 minutes, golfers can choose to focus on metalwoods or irons during this session. In addition to using Trackman our experts will use the TaylorMade SelectFit system to allow consumers to try our complete range of products and improve their game by optimising their launch angle, swing speed, smash factor & spin rate. After the fitting the specifications & details of the fitting will be sent to the TaylorMade stockist who booked the appointment. N.B. Kingsfield do not stock or sell any TaylorMade clubs.
